

Introducing our GABWA VIC Team Member

Julia Caploiu

Julia Caploiu was born in Australia and has Romanian heritage. She has previously lived in Germany in the southern city called **Ulm** for **11 years** and is now based again in her hometown of **Melbourne**. Julia holds a Bachelor's degree in Information & Knowledge Management and a Master of Commerce with Distinction level from RMIT University. Julia is trilingual and keen in fostering cross-cultural collaborations - beside her native Australian **English**, she can speak **German** and **Romanian** proficiently.

Currently, Julia is leading the **Human Resources** department of an Australian engineering, analytical and laboratory testing services business, which works across an array of scientific fields including the emerging space of renewable energies and sustainability.

Julia is passionate about paying-it-forwards and advocates for safety and continuous improvement and training in the workplace.

Beyond her professional pursuits, Julia is a pescatarian and a keen yachtswoman, having completed an offshore blue water crossing of the Pacific Ocean on a private vessel in late 2023. In her free time she enjoys Aqua Zumba and on most weekends, she can be found actively sailing on Victorian waterways, as well as volunteering at her local yacht club in Westernport Bay.
